Recommendation Letter

I am happy to write a recommendation letter for *Mr. Muktar Sabdow*, who was a student to me for more than four years at the Civil Engineering Department, Jimma Institute of Technology, Jimma University, Jimma, Ethiopia. I have known him for more than four years.

As a teacher to him, I have found *Mr. Muktar Sabdow*, to be highly committed, brilliant, honest and hard working person with a methodological approach in his work and takes his responsibilities very seriously. Through his hard work and zeal, he has established himself as a capable candidate.

I recommend him for Civil Engineering Profession and for higher studies.

Wishing him success in all his endeavors.

To Whom It May Concern

Re: RECOMMENDATION

It gives me immense pleasure in recommending Mr. Muktar Sabdow Hassan .I have known him for the last five years as a student in Civil Engineering Department, Jimma Institute of Technology, Jimma University. I advised him for his final year BSc projectwork.

Mr. Muktar Sabdow Hassan has shown the motivation, intelligence, preserving nature and analytical aptitude. During his participation in works, I found him to be a very competent and industrious person. His attendance and his presence of mind has been a key part of his study that has helped him to contribute positively while working as part of a team in his final year project work.

He is most renowned for his decent and amicable personality. Therefore, he can adapt to any new circumstances or social environment. I am confident enough that Mr. Muktar will make the best professional in related areas of his study and giving him an opportunity to post for job or training in your institution will be redeeming.

While wishing him all the best, I would like to recommend him without reservation for any positions and responsibilities in your organization. Should you have any questions with regards to Mr. Muktar Sabdow Hassan will be pleased to answer them.

Yours Sincerely,

TO WHOM IT MAY CONCERN

I am writing this appreciation letter for **Muktar Sabdow Hassan**

During his BSC study at Jimma University Institute of Technology under the department of Civil Engineering, he conducted Bachelor Thesis on the Structural Design of “**3B+G+7 Commercial building**” as a partial fulfillment for BSC requirement in 2016.

During this time, I was his thesis advisor for the final project under this title and I observed some of his personal qualities and good activities as a group member and individuals.

Therefore, this is to confirm you that he is diligent, able to work in team, responsible to the work given to him, committed to his work and also punctual towards deadlines. Besides these all, he is very creative to analyze problems.

Hence, I assure you that if he is given the chance to work in your organization, he will have more chance to utilize his potential fully and company also will benefit from him.

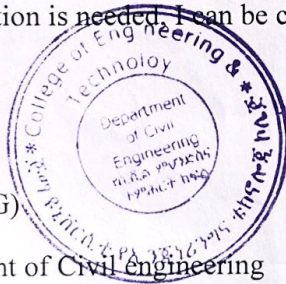

If additional information is needed, I can be contacted by the address below:

Re: - Recommendation letter

I'm very glad to write this letter to **Mr. Muktar Sabdow** who served as RACIDA Construction Technical Assistance in Dekasuftu field Office from 1st June up to September 2013- and again reunion 4th June and stayed up to September 2014 in the same position.

During Mr. Sabdow stays with us, he was responsible, accountable and trustworthy to his all construction based duties as the organization assigned him. In addition, Mr. Sabdow was also dedicated to the project implementation to ensure the community integration to the project implementation progresses effectively by typically ensuring quality design upon his job description.

In short, Mr. Sabdow was very punctual, well disciplined, hard worker and potential to work under pressure prospectively which he shared his knowledge and experiences to the entire organization and the community at large. We really regret his termination as per the project phase out and further we disappointed missing him from the office.

Therefore, I do not hesitate to recommend any assistance or consideration given to him and we further support it.
