Subject: Recommendation Letter

I am very glad to write this letter of recommendation for **Mr. Ali Hussein Sufi** who has been working as practical engineering in **Wijiwaji spate irrigation project** kebele and started from **15/02/2009 E.C up to 15/06/2009 E.C**

Mr. Ali is a very talented and hardworking, honest on the top of his activity with this duration showed excellent ability to work as practical engineer where the combination of his practical ability, and work experience. **Mr. Ali** has carried responsibilities beyond what might be expected of a person his age. And rather than resent the burden was disciplinable considering, staff liked social in characteristics and any post related to his field duty. Moreover, punctually, dedicated person, professional considering his motivations.

So, we believe that **Mr. Ali** is responsible and commitment and done good activates during his practical engineering so that is why I recommend him for his performance done.

With Best Regards

RECOMMENDATION LETTER

It is my great pleasure to write a letter of recommendation for **Ali Hussie Sufi**. I know him as one of my postgraduate students at the Department of Hydraulic Engineering, Faculty of Civil and Water Resources Engineering, Bahir Dar Institute of Technology. As his mentor and course instructor, I have got an opportunity to observe his participation and interaction in class and to evaluate his knowledge of the subject matter.

Ali is one of the top knowledgeable students with outstanding academic performance and ability, and has a great potential to explore new things in his field of study. As a young professional, I feel very much impressed by **Ali's** maturity, persistence and initiative in solving difficult problems as well as problems encountered with other team members. Apart from fulfilling his responsibilities, his willingness and cooperative spirit motivate others to do their part in the teamwork.

He has so many qualities that give me great confidence to recommend him for any high-level vacant positions in his field of study at your organisation or for further study in Hydraulic and Water Resource Engineering and related fields.

Please feel free to contact me via E-mail: Hanibal.Lemma@bdu.edu.et if you need further information.

Sincerely,

Hanibal Lemma (PhD)

Faculty Vice Dean
