Subject: Collaboration for internship program

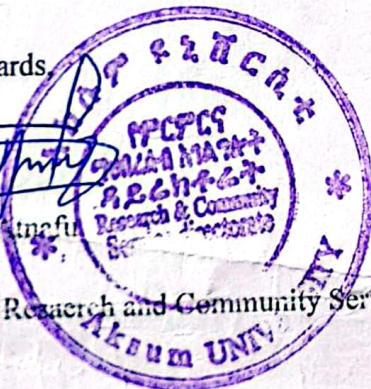

The curriculum of departments in the College of Engineering and Technology, Aksum University, demands one semester practical attachment /internship program in production or service industries/organizations. This is believed to capacitate students with the necessary practical skills in their respective fields of study. Accordingly, 3rd year Civil Engineering students will be engaged in practical attachment during the second semester of 2003 E.C.

Appreciating your partnership in advance, the Research and Community Service Directorate of Aksum university, would like to kindly request your office to accept Mr./ Ms _____ Dahir Abdulahi, a 3rd year Civil Engineering student, in your office/project/company.

With regards,

Bawoke Atnafu

Director, Research and Community Service Directorate
